

Hello Grade 9 Trip Parents,

At this point, the cost per student will be \$489.00 (based on the number of students who returned permission slips stating they will be going on the trip). The deposit (\$100.00) should have been paid by now and all permission slips returned. The remaining payments will be as follows (please make cheques payable to Madeline Symonds Middle School).

- February 1, 2019 - \$135.00
- March 1, 2019 - \$130.00
- April 1, 2019 - \$124.00

We are working on a few fundraising opportunities and will send the information home with students as soon as we have something in place. Keep in mind all fundraising is on an individual basis (it does not go into one large pot) so when interested, we encourage all students to take part in these opportunities. From the meeting in November we have some parents who expressed an interest in organizing and we have been working with them to provide opportunities for the students.

There is a section on the school website for the grade 9 trip and we will update with any new information about the trip and fundraising.

Thank you for your ongoing support,

Mona MacNeil
