

First and foremost I would like to take this opportunity to thank our students, parents/guardians and school community for the support since the beginning of December.

The staff of Madeline Symonds Middle School are continuing to focus on providing quality education for our students.

One of our priorities is to provide a safe learning environment for our students throughout the day. We have been fortunate to have some parent lunch time monitors, but we can certainly use a few more. If this is something that you may be interested in feel free to contact the school for further information at 902-832-2300.

Attached is a revised bus schedule, if there are any questions with this schedule please contact STOCK. These changes will be in effect as of February 6th.

The staff at MSMS look forward to having this situation resolved soon.

Thank you for your patience and support!

Lynn Kazamel-Boudreau and Derek Ferguson
